

About District 58: We achieve academic excellence.

District 58 supports learning to meet the needs of all students. We vetted and adopted new English-Language Arts resources in 2018 and Science resources in 2019, and we plan to adopt new Math resources in 2020 and Social Studies resources in 2021. We proudly equip our teachers with rigorous and updated curricular materials to help our students succeed!

The State of Illinois awarded **all** District 58 schools with either an Exemplary or Commendable academic designation in 2019. **54%** of District 58 schools earned Exemplary, the State's highest school designation. By comparison, **27%** of DuPage County schools and **10%** of Illinois schools earned the Exemplary rating.

The median District 58 student scores at the **70th** percentile in Math and the **76th** percentile in Reading.

Plus, our Grove Children's Preschool program earned **back-to-back Gold Ratings** from the State of Illinois Preschool Audit. This is the highest rating a preschool can earn for excellence in teaching and learning!

No wonder **93%** of District 58 parents say: "My child is getting a quality education."

We care for the whole child.

District 58 incorporates social-emotional learning into its daily instruction for all students. In fact, the District was an early adopter of social-emotional learning curricular resources that foster student well-being.

District 58 keeps students at the center of every decision. Our dedicated teachers and staff work collaboratively to nurture each student's academic, social and emotional needs. To better support all students, the average District 58 classroom has **21 students**.

- 95%** of parents say: "My child's school is a supportive and inviting place for students."
- 92%** of parents say: "My child's school focuses on teaching the whole child, including social and emotional skills."
- 96%** of parents say: "Adults at this school believe my child can be a success."

We prepare students for success.

All District 58 schools feed into District 99 for high school. **63%** of District 58 students enter District 99 ready for a sophomore level class or above. **94%** of District 99 students graduate, compared to **88%** of Illinois students.

We plan for the future.

The District 58 Board of Education approved a Strategic Plan in 2018 that charged District 58 with three goals: Focusing on Learning, Connecting the Community, and Securing the Future.

Through "Securing the Future," District 58 is developing a comprehensive master facility plan that will ensure a safe, modernized and effective learning environment for all students. The master facility plan is being developed with input from all stakeholders, including District 58 staff, parents and the broader community. We are very excited for the future of our fantastic schools! Follow our progress at www.dg58.org/facility-planning.

District 58 serves **5,150** students in **11** neighborhood elementary schools, **two** middle schools, **one** preschool program (at two locations) and **two** administrative buildings. Please visit www.dg58.org/school-boundary-maps/ for detailed school boundaries, and feel free to call any of our schools for more information. New to District 58? Welcome! Visit www.dg58.org/parents for helpful resources and www.dg58.org/kindergarten for information specific to incoming kindergarteners. Thank you for considering our schools! Want to learn more?
