School Highlights

Academic Courses

Belle Aire School is committed to providing students with comprehensive learning opportunities to help each child learn and grow. Learning experiences are designed to meet children at their instructional level and help each child progress at a rate that supports the child and challenges them to reach high standards of achievement.

Physical Education, Heath and Wellness

At Belle Aire School, children learn the basics of gross motor coordination and develop capacities for individual and collaborative performance of skills. Students study Body Movement & Fitness, Games & Sports, Movement Ed., and Rhythm & Dance. The program develops an understanding of physical fitness and how to live a physically healthy lifestyle.

Intramural Sports

School Personnel Resources

Belle Aire offers a wide range of services to support students with different academic, social-emotional, or developmental needs. Personnel are available to work with students, teachers, and families to help each child learn and grow.

Facilities

Belle Aire School has an open school concept. This means that we do not have interior walls to separate our classrooms. This concept is embraced by the Belle Aire community. We take advantage of this concept by using a flexible grouping teaching model. For example, grade-level teachers often share students to form common ability groups.

District Finance

Instructional Spending per Pupil includes only the activities directly dealing with the teaching of students or the interaction between teachers and students.

Operational Spending per Pupil includes all costs for overall operations in this school's district, including Instructional Spending, but excluding summer school, adult education, capital expenditures, and long-term debt payments.

Educator Measures

This school has had **2 principal(s)** over the past 6 years. In the last three years, an average of **85% of teachers** return to this school each year.
