Older Adults & Kids

As an older adult, you have a great deal to offer students in School District 58. Please consider sharing your lifetime of experiences with the children in your neighborhood schools. Special training is not needed to become a successful volunteer. It is our goal to match your talents, hobbies, experiences and interests with a volunteer opportunity that will prove fulfilling for both you and our community's youth.

Volunteer Opportunities

-  Assist a teacher with instructional activities or projects or just offer that extra pair of hands.
-  Be a tutor or mentor to a student.
-  Read with students.
-  Encourage and reinforce a student's self-esteem by offering them your personal attention.
-  Explain a hobby or discuss history as you've lived it.
-  Help foreign-born students become fluent in English.
