## Interested in joining the Hornet Swim Club?

The Hornet Swim Club aims to train swimmers to improve their swimming abilities and maximize their potential, as well as develop confidence, strength, and discipline while having fun through competitive swimming.

Our team serves the youth in all local communities & practices out of Hinsdale South High School in Darien and Downers South High School in Downers Grove.

We provide professional coaches who are educated and experienced in competitive swimming. These coaches create an atmosphere that is safe, fun, and educational for all levels of swimming. Our coaches also create a structure that will provide swimmers the opportunity to achieve the very highest levels of competitive swimming.

The Spring session will run from approximately March 13<sup>th</sup> through June 3<sup>rd</sup>, 2017.

Please bring a suit & goggles, and towel for swimmer evaluations. All forms will be available at the tryout and no registration or paperwork is required in advance.

For more information about our team please check [www.hornetswimclub.org](http://www.hornetswimclub.org) or email [info@hornetswimclub.org](mailto:info@hornetswimclub.org) with any questions.
