
1. CALL TO ORDER/ROLL CALL

   The President called the meeting to order at 6:02 p.m. and announced that it was the regular monthly meeting of the District 58 Board of Education. Members present: President Doug Purcell; Vice President Elizabeth Sigale; and Members Gregory Harris, Darren Hughes, John Miller, Jill Samonte, and Beth Taylor. Members absent: None. Also in attendance were Kari Cremascoli, Superintendent; Jayne Yudzentis, Assistant Superintendent for Personnel; Justin Sisul, Assistant Superintendent for Curriculum and Instruction; David Bein, Assistant Superintendent for Business/CSBO; Lorie Pilster, Director of Business Services; Ken Young, Director of Buildings and Grounds; James Eichmiller, Director of Innovative Technology and Learning; Megan Hewitt, Coordinator of Community Relations; and Melissa Jerves, Board Secretary. Attending this meeting were at least three visitors. (Visitors’ Roster attached to official minutes.)

2. FLAG SALUTE

   The Board President led the audience in the Pledge of Allegiance to the flag.

3. NON-ACTION REPORTS

   A. Recognition of Students

      The names of students who received the 2016-2017 Citizenship Award and Illinois Math League award were presented to the Board for recognition. Citizenship winners set an example by exhibiting exemplary attitude and fulfilling duties and obligations with enthusiasm. Illinois Math League students have consistently achieved a grade point average of 90 or better in mathematics.

4. COMMUNICATIONS

   A. Freedom of Information Act request from Tracy Weiner for Spring/Winter/Fall MAP data for individual schools

   B. Email from Angela Rybarczyk regarding medical premiums

5. REPORTS TO THE BOARD

   A. Superintendent

      Superintendent Kari Cremascoli reported that the State of Illinois passed a budget, but the distribution of its education budget is still uncertain and depends on the passage of additional legislation. Dr. Cremascoli reported that she and the assistant superintendent team met for a retreat in which they developed a 2017-2018 Strategic Goals Action Plan. The Board has been provided a draft and is asked to review and provide feedback of that draft.
The Board will be asked to approve the plan at the August meeting. District staff met with the architects regarding the potential Lester project and asked them to further develop Option 4, as well as look at other opportunities for cost reduction. The architects will also meet with the Lester administration for more specific feedback. The District expects to have preliminary schematic drawings and refined cost figures for the August Board meeting. Dr. Cremascoli stated that the District is looking forward to the adoption of new ELA resources and continues to develop a math blueprint. General Education Summer School wrapped up successfully, while Extended School Year classes continue into July. The Technology office is conducting its summer refresh on the District’s iPad fleet. Although the fleet is 3-5 years old, most iPads should be reuseable for K-6 students in the upcoming school year. 8th grade students will use the District’s existing fleet of Chromebooks, and the District proposes purchasing new Chromebooks for 7th grade students.

B. Monthly Business
The Board received business reports, the investment report, and revenue and expenditure summary reports for the month ending June 30, 2017. Assistant Superintendent for Business/CSBO David Bein reported that the District has received three out of four mandated categorical payments from the state for FY2017. Since the state has passed a budget, it is possible that it will catch up on its payments to the District. However, the budget ties funding to Senate Bill 1, which requires an evidence-based funding model. SB 1 is currently pending action by the governor, and a veto would effectively cut off funding for school districts. Fiscal year 2017 has concluded, and both expenditures and revenues are projected to be under budget. There are outstanding payments due to Septran, the District’s former special education transportation provider, which will be paid upon receipt of accurate billing statements and a service credit due to poor service last year. The District’s auditors have done their preliminary field work and will return in August to conclude their on-site work. Though health insurance claims continue to trend higher than expected, cost reduction changes were implemented and the 2017-18 budget factors in a 10 percent increase in health insurance premiums. The District will continue to monitor the Medical Reserve Fund, but no transfer is recommended at this time.

C. Treasurer’s Report
There was nothing noteworthy to report in regard to the Treasurer’s Report.

D. Policy Committee
The Policy Committee did not meet in June.

E. Legislative Committee
The Legislative Committee did not meet in June.

F. Financial Advisory Committee
Member Miller reported on the July 10, 2017 Financial Advisory Committee meeting. The Committee discussed the impact of a potential property tax freeze on District 58, which would stand to lose $4.4 million in revenue over four years if such a freeze were approved.
G. Meet & Confer Strategic Plan Committee
Member Sigale reported that the Meet & Confer Strategic Plan Committee has not met since the last board meeting, but requested the Board’s review of its proposed strategic planning timeline. The committee recommends that the Board seek out a professional outside facilitator or consultant to manage the strategic planning process. After discussion, the Board directed the District to request proposals and set up interviews.

6. DISCUSSION
There were no items for discussion at this time.

7. RECEPTION OF VISITORS
There were no comments or questions from members of the audience at this time.
