The meeting was called to order at 7:04 a.m.

Absent: Jill Samonte, Marla Gilbert, Hamad Sheikh, Jason Suchy

Approval of Minutes

Fanny Vlahos moved and Mark White seconded the motion to approve the minutes from the December 18, 2018 meeting. Motion carried.

Policy 5103 – Students – Transfers

The proposed revisions align more closely with PRESS and include language previously included in Policy 5102 regarding school attendance areas. After discussion and consultation with building administrators, the policy also is revised to remove grade level enrollment guidelines, instead inserting “under extraordinary circumstances” as the guideline for granting transfers. The other significant change in policy is that new transferees must have enrollment reconsidered annually. Acceptance of one sibling does not guarantee acceptance of other siblings. As a result of this policy revision, the District anticipates a reduction in transfer requests overall. Students transferred before the revision of this policy will be permitted continued attendance as under the prior policy.

Policy #5104 – Students – Nonpublic School Students

This policy is updated to align with PRESS. The Committee agreed to add language in the second paragraph:

*“A student accepted for partial enrollment must comply with all **registration**, discipline and attendance requirements established by the school.”*

Policy #5102 – Students – School Attendance Areas

It is recommended that this policy be deleted, as its content has been included in revised Policy #5103.

Next Steps in Policy Revision

The Committee expects to review Policies 5100, 5100.2, 5100.3, 5101 and 6002.
