# Sports Day Camp

It's all about sports! Campers will learn and develop specific skills and strategies for the week's sport(s) using the appropriate equipment in gym and outdoor spaces. Each week will cover 3-4 different sports! These include basketball, flag football, floor hockey, soccer, tennis, volleyball, ultimate frisbee and many more fun sports activities!

# Specialty Camps

Our half day sports specialty camps focus on a different sport each week! Campers will learn specific skills and develop technique in the week's sport. Campers will not only work on fundamentals but also know when, where, and how to execute those skills in real-time or in a game!

Offerings include cheerleading, basketball, volleyball, fishing, and more! See the registration page on our website for information on these camp's dates.
